

K-LOVE Radio station serves me as a resident in this community by providing a way to be encouraged in the christian faith all day long. It makes me want to be a better person and mother by centering me on good thoughts. If K-LOVE was displaced by a LPFM broadcaster the community would lose a source of help for members who need someone to listen to them and help them survive. Some people in our community who may have committed suicide, divorced, or despaired are being saved by talking with K-LOVE Staff. The community needs Christ centered music and prayer to keep Wilmington good and caring. I never have to worry about my children listening to K-Love because it only helps them. The future of America depends on our children growing up to be good community members. K-LOVE makes that a little easier for my family and friends.
